**3rd Oil Duct**

www.kinshofer.com

This extremely strong and flat rotator fixed at 4 points by **KINSHOFER** that has already proven its worth in a lot of operations and features a very high bending moment, is here equipped with an additional third oil duct as a special version. This oil duct can be used for a central greasing or as a leak oil pipe e.g. for compressors. The 3rd duct has a large cross section and can be charged with up to 320 bar.
