## Visit us and test the new TR18NOX TILTROTATOR!

No matter if you are a dealer or a user, we would like to invite you to test the most innovative Tiltrotator in the market yourself! We are looking forward to inform you about the groundbreaking **TR18NOX** as well as about other tools from our product range.

You would like to get or do a training?  
No problem!  
„Learning by doing“ is still the best way to train your personnel or customers!

**Our tools and we ourselves are at your command!**
